

# The Crowd or the Called?

## John Chapter 6

Jesus' teaching becomes more focused and direct the closer He comes to the cross. The contrast between the crowds that gather to see Him and the disciples who follow Him grows larger. In our story today we see the teachings of Jesus becoming more difficult for His disciples to swallow...

### What were the False Views of the Crowd *and* the Disciples about Jesus?

#### False View #1.

The size of the known \_\_\_\_\_ determines the \_\_\_\_\_ of  
the \_\_\_\_\_. (vv. 7-9)

Phillip asked \_\_\_\_\_ instead of \_\_\_\_\_.

#### False View #2.

The \_\_\_\_\_ is the \_\_\_\_\_. (v.26)

“A \_\_\_\_\_ is not a \_\_\_\_\_. It is a  
\_\_\_\_\_ for someone who is looking in the right \_\_\_\_\_.”

-Phillip Yancey

### **False View #3.**

We can \_\_\_\_\_ the \_\_\_\_\_ by embracing the \_\_\_\_\_ . (v.27)

**Question:** Did the crowd have the inner disposition to be followers of Jesus? Did the Disciples? Do I?

What was Jesus looking for? *Discuss this in your life groups or at home this week.*

(Reading the rest of the chapter is key, particularly vv 60-69.)
